I always thought a lot of Uncle Breck. He always took the time and come see me when I had to go to Lexington with my job. I remember his passion of trains. I remember the last time I saw him and how we laughed, talked about God and his love for his family. We will be praying for you Elizabeth, Charles, and Mary. I have not had the privilege of meeting all of his family and we will be praying for you too. Pray that the Holy Spirit will comfort you and through this you will draw closer to Jesus.

Breck was a good friend and the spark plug for the local stamp club. It is an understatement to say he will be missed. A wonderful person to know. May his family know how much he meant to so many friends.

The guys at Collectors Stampe express their deepest sympathies to Breck's family. He was a good friend as well as a client; and a great promoter of the stamp collecging hobby. He will be sorely missed. May he rest in peace.
