“ Desiree Howard & Family lit a candle in memory of Barbara Jean Collins

Desiree Howard & Family - October 10 at 09:27 AM

“ My deepest condolences to the Collins family. The Marevelous Matriarch and Quintessential Queen, Barbara Jean Collins, I affectionately know as Aunt Barbara, has touched many of our lives in many ways. My favorite memories of Aunt Barbara is as a child. I remember sitting with her at the piano to show her my skills, then eventually she would handle the black and white keys herself and show me how it's really done...having "church" in the living room. I will always cherish those precious memories of my Aunt Barbara from my youth. Aunt Barbara has left a legacy for each one of us, who had the honor to be in her presence. Her smiles, her hugs, and her encouragements will be with me always. Aunt Barbara is forever in my memories. The Collins family will be in my thoughts, prayers, and meditations. Peace and comfort to the family. With love, Kenyatta D. Smither, Sr. and family (Richmond, Virginia)

“ I am the oldest of all the grandchildren and I have very fond memories of spending time with my grandmother as young child. We would have very interesting conversations about life and spirituality (as well as other things). I didn't get to spend a lot of time with her during the later years of her life, but it does not negate the fact that she has always been dear to my heart. While she is affectionately known as "Nanny" by all of my siblings and cousins; I am the only one who called her "Grandmama". We don't get to choose the families we are born into, but it's up to us to choose how we respond and treat the families we have been blessed with. I choose to be thankful for Barbara Jean Collins and grateful for the relationship we had. Rest easy "Grandmama".

“ As 'Barbara Jean's' younger brother, I'm forever grateful for her life journey, especially when she became my 'legal guardian', more like a mother, during my last few years of high school. Her battles on earth are over. But her spiritual journey begins anew. May God's grace, mercy and everlasting peace continue to bless the Collins and Smither family, as well as my hometown of Frankfort. W. DuBois and Sharon Smither - Richmond, Virginia

“ I will always keep the memory of Barbara. She was truly a woman of God. She and my mother were friends when we all lived in South Frankfort. We pray God's comfort and blessings on the family.

“ Mrs Barbara and my Mom were great friends. She would come to the house and have bible study with my Mom. She was honestly one person I could say was on the battlefield for the Lord! Bless her memory and her family.

“ I will forever be grateful that I met this woman. She became my friend, surrogate grandmother, prayer warrior, and sister in Christ. I feel honored to have met her daughter and granddaughter. She was a sweet reminder that family isn't always blood! Rest In Peace sweet friend.

“ I met Mrs. Collins some 50 years ago as a student at KSU. Later we served together on the music staff at the First Corinthian Baptist Church (when it was on Mero Street) where she served as musician for the Children's Choir and the Male Chorus. Sis. Collins was devout woman of God. While she is now enjoying eternal praise with the Father, may we look forward to the day of sharing in the great celebration with her. To her children, grandchildren and family continue to trust God for His promises which are yes and amen!

Marion Rogers - October 02 at 12:18 AM

“ My condolences to the Collins Family. Mrs Collins was one of the most sweetest and caring person that I have ever met. She always had encouraging words and kindness to young, scared and lonesome students at KSC. Her family was just as warm and welcoming as she was. May God give you peace and comfort.
