“ Deepest sympathy to the family. I never met him but he is a distant cousin of mine. I have met his sister, his father and his mother. I would have loved to have met him too.

“ We've lost a friend that we have known for years - since our sons played ball together. Ken appreciates all the stories that they shared with Charlie as his barber. We continue to value our on-going friendship with "little" Charlie and what he has meant to our family. Our thoughts and prayers are with all of you at this time. May the Lord bring you comfort and peace!

“ I am sending my prayers to Charlie's family. He was always so good to my Dad, Elwood. I enjoyed taking Dad for a haircut because Charlie always had a good story to tell. He loved his family and had a big heart.

“ Charlie was my barber for the last 10 years or so. Never saw him unless he had a smile on his face, never heard him speak in a negative way about anyone. He was proud of his family and always had something positive to tell about them. I will miss him and remember him with respect. Prayers for the family and friends

“ I'm in shock to hear this. I will enjoy the many hours spent in Charlies shop, hearing his endless stories all told with a smile on his face and of course getting a haircut from the finest barber I've known. Charlie was one of a kind, and I will miss him both as my barber but more importantly my friend. My prayers for all of his family.

“ Charlie was my dad's barber most of his life. He gave both my brother and I our first haircuts. I never let anyone else cut my hair until I was an adult and moved from Frankfort. He was a wonderful person to be around.

“ Charlie was a friend to all that knew him. He often shared stories about his family and of all of things they did together over the years. When his grandkids came along he couldn't help but to smile when he was talking about them. When people went to his shop, it was more than just to get a haircut, it was to talk with a friend, exchange stories and have a good laugh.

Several years ago fast food restaurants started accepting credit cards and I asked Charlie if he was going to do the same, Charlie replied, if someone needs haircut bad enough to use a credit card, I'll do it for free. He was funny and sincere. I have seen him cut hair for free, give money to people in need as well as give rides. He helped a lot of us that do construction work by giving referrals out to his friends. I can't express how much Charlie meant to us all. I will miss him.

My thoughts and prayers are with Linda, Charlie, Jenny, their spouses, children and the rest of the family.

“ I've only known Charlie for 26 years. In that time I came to love and respect him for his love of life and family. Every visit included a story of one of his family. Hannah and her soccer playing, Brody for his love of the outdoors, and Sam for his wit and his playful ways. Of course Charlie and Jennie were his pride and joy. And there's was never any doubt of the love he had for his wife Linda. While I don't personally know his family. I feel like I knew them well through Charlie's stories about them. I will miss Charlie. There will never be another like him. May you rest in peace Charlie.

“ So sorry to hear of Charlies passing. Charlie was my barber for 40+ years but a great friend too. He was always courteous and friendly when entering his Barber shop. Over the years we had countless conversations about a variety of subjects. But most prominately they were about his and my family and sports. He was a delight to talk to and visit with and he will ne sorely missed. We are praying for you and your family that God will somehow ease you tragic grief. God bless the entire family.....
