“ My condolences go to the Turner family. I moved to Cardinal Hills in fifth grade. Darrell and Doug was a good friend of mine. I lost touch with them after school. I have good memories with them both.

“ I dont really know what to say. Doug and Darrell were such an integral part of mine and my brothers life. I have known them since peaksmill, the yellow house on ceader cove rd

And finally cardinal hills. Our parents are buried side by side at sunset memorial gardens. My mother found much comfort when she was dying, knowing she would be buried by her best friend Jaunita. I would like to say that both of those boys were such good kids, full of life, fun and laughing. I remember the time we took 11 doors off the old bugger bills house to build a fort. A J quickly put a stop to that because we were going to build it in their backyard. And the time my parents took us all to kings island and we had so much fun. I suppose since my own brother has cancer now its has hit home a little harder. My condolences to the Turner family and my heart felt sadness. Kim Whitson Dobson.

“ I don't even know what to say except that I love all my Turners. We were all like brothers and sisters. Russell, you were my first friend in Cardinal Hills, probably one of the first friends ever that I actually remember. You and Butch will always be special to me. Darrell had a kind heart. I'm so sorry. You guys and his kids are in my thoughts and prayers. Kim
