

David Tincher

January 19, 1941 - June 4, 2018

Frankfort – David Lee Tincher, 77, passed away Monday, June 4, 2018, in Frankfort. Born to the late Kash and Sarah Stigers Tincher on January 19, 1941, David lived a life full of love and spent it finding its beauty. As a devoted husband, father, and grandfather, he set an example of love and guidance for his family and his dedication to his work and serving the community never wavered.

David spent his life exploring the wonders of the world through antiquing, never ceasing to find special meaning in things that were ordinary to others. In his free time, he would be found alongside his loving wife at antique shops, auctions, or anywhere he could find something that caught his eye. When he wasn't searching for treasures or spending time with his family, he was spending time outdoors, fishing or quail hunting. After many years of serving the Frankfort Community, David retired as Battalion Chief from the Frankfort City Fire Department. He loved his community, and working alongside those who served with him.

He leaves behind his wife of 57 years, Judy Elaine Downey Tincher; beloved son, Kevin Tincher (Sherry Frye); cherished grandchildren, Jacob Tincher and Callie Tincher (Bryan Miracle); and sister, Diane Webb. David loved his family and supported them with guidance and direction whenever he could. He loved and appreciated his host of wonderful friends he was so very blessed to have.

David wished for his life to be celebrated, and for those to share memories, laughs, and most of all love.

A Celebration of David's Life will be held at 7:00 p.m. on Friday, June 8, 2018, at Harrod Brothers Funeral Home. The family will receive friends at Harrod Brothers from 2:00 p.m. until 7:00 p.m. on Friday.

Flowers are welcome and expressions of sympathy may be made in David's memory to the Pleasant View Methodist Cemetery.

Arrangements are under the direction of Harrod Brothers Funeral Home.

“ Judy, I am so sorry to learn of David's passing. I always enjoyed the tales he would share with me when I worked at Blue Bonnet. He was a man of great knowledge and one I admired. May you find comfort in the days ahead.

“ Judy, I am so sorry about David. I remember one very snowy day, he cleared our drive way for us. Bill and I both have medical problems some good day and some bad. Friday was a bad day. That is why we did not make it to visitation. You are in our prayers.

“ Judy, even though I only saw David during our class reunions, I really enjoyed being able to visit with him each year. One of my earliest memories is having watermelon at your house when a truck hauling watermelons caught fire and your Father stored several in the cellar that we had late one night after a Senior party. I am sorry this had to happen and please know that you and your family are in my thoughts and prayers.

“ Oh did we lose a fine man from this earth. Character, integrity and love defined the man, I have known my whole life. I love you David I am sorry we never got that last quail-pheasant Hunt in. Looking through those pictures of all we have lost. I bet the old Bald Knob family for generations are rejoicing with God's new angel. Rest In Peace David love you Judy , Kevin, Callie and Jacob, Sherry.

“ David was a wonderful kind loving man. He always would blow and wave as he went by the house, which he helped make easy for Mark and myself to have. Without him we would not have our beautiful home which we love so much. David is as much a part of our home as we are. We have so many memories of him that will never be forgotten and will always bring a smile to our faces. We love you Tincher and will always be grateful to you. God Bless You

Love Linda
