April 16, 1946 - December 6, 2020

Frankfort - On Sunday, December 6, 2020, Donna Seals (nee Stinnett), loving mother of two daughters, passed away at age 74.

Donna was born April 16, 1946 in Frankfort, KY to Illa (nee Cox) and Russell Stinnett. She retired from Kentucky State government and then at Paul Sawyer Library. She enjoyed writing, employing a beautiful cursive, and was always an avid reader. She worked tirelessly to help library patrons and make books easily accessible to the entire community. Quick to laugh, her life centered around honesty and loyalty, helping anyone and everyone she could. She was known for her generosity and devotion to her family. She had wonderful decorating skills and an uncanny ability for selecting the perfect gifts for friends and family. Everyone knew that when they did not know what to give, they asked her advice.

Donna is survived by her daughters: Rebecca "Beckee" Seals, Frankfort, KY and Samantha Mason, Cincinnati, OH; grandchildren: Robert Mason, Boise, ID and Matthew Mason, Boston, MA; father of her children: Floyd Seals, Frankfort, KY; grandpuppies: Bella Faye and Thelma Lou; and special mention Darrell Woodard, Frankfort, KY.

“ I was shocked and saddened to learn of Donna's passing. Donna and I worked in the Office of Policy and Budget (OPB) in the former Cabinet for Human Resources during the 1980s. What I will always remember about this friendly, modest lady is her smile and laughter. Oh how she loved (and bragged about!) her beautiful daughters. Over the years, we would see one another every now and then. Around 2002 we met at the Red Cross Office to attend a meeting of volunteers. We had a delightful conversation, catching up on each other's lives. We laughed long and hearty about funny moments in our old office. She also shared her health struggles, and I commended her for soldiering on, giving of herself in community activities. I am honored that our paths crossed. May her family be comforted in knowing she brought laughter and joy to many and will be remembered. With my deepest sympathy, Angie Scott
