“ I am so sorry to hear about Mrs. Penn's passing.

She was my second grade teacher in 2002, but continued to keep up with me for the rest of my life. She friended me on Facebook when I was in high school and kept up with me while I was in college.

She was always so sweet to me, and always had something kind to say.

“ I am so sorry for your loss. Elaine and I have been friends since we had our children many years ago. We found a friendship through our own children and through teaching. We always loved to share recipes and teaching stories. I will always cherish the fun times we had and be glad for those memories. God blesses us with friends to share our lives with. I feel blessed that she was my friend. Our deepest sympathy to her family ,
