Comments

“ I only knew Mrs. Nash for just about 3 years. I first met her at Masonic Home where I was to rehab my new knee. I had already been away from my family for a week in the hospital and was to be at Masonic for 2 weeks. Mrs. Nash was across the hall from me and she became my buddy. We ate together, went to church together, played bingo together and had many visits in between. She made me feel so much better about being away from my family. I was actually so sad to leave because I'd miss her so much! Once she was home, I'd visit, bring my children, eat lunch with her, we'd talk and talk, just have nice little visits with my "adopted Grandma". Last Monday, I was to begin PT at Masonic home. I got a call on Sunday from Terri, letting me know Mrs. Nash was back there and wasn't long for this world. The Lord, in all His greatness, would set up our last visit right where we very first met. She didn't know me that afternoon, but I talked to her and sang "In the Garden" to her and kissed my friend on her sweet forehead. What a blessing to have known her and I will be forever thankful for our friendship. My thoughts and prayers are with you Terri and with your family as your go through the grieving process. May God envelope you in his arms and may you feel his peace which passes all understanding.
