“ I am so sorry to have heard about the passing of our sweet neighbor. I have always been blessed to have known her. I enjoyed waving to her as she passed by the house when I was sitting out on the front porch.
I remember one time calling her to just say Hi. We laughed about a lot of things as we talked. I will miss her greatly. Hugs Pamela Lefler

“ Ms Faye, brought me into her home 7 years ago, she trusted me to help her with George. She became more than an employer, she became a friend, and also a adopted mother. I will always love her.
