“ I knew Judy when I was a kid, little did I know that our paths would cross again in clogging classes, taking cruises together, going to Little Abners setting in the sun and drinking coffee all hours of the night talking and eating her chicken salad and cheese ball she always came up with some joke or something. She was always quick with an answer. When you became a friend to Judy she stood by you until the end. We lost a dear friend in November Ernie Moffett Judy was sick then but was always checking on Ernie and me. She was a true friend, one that I will miss dearly rest in peace my sweet friend. I know you and Ernie are clogging and having a good time love you JuJu Regenia
