“ My first college roommate. One of the most beautiful souls I ever knew. Fly high “Lou”. Make Gos smile.

“ Our daughter, Ashby, was in class with William through the second grade. I got to know Mary during the Preschool days. Mary was the epitome of a gracious, Godly lady. Her instant, beautiful smile would light up a room and she always had a kind or encouraging word for all she spoke with. It was always a joy to catch up when we would run into each other at VBS or the grocery. She always had sweet stories of her family to share and was always asking about mine. I hate to say, it's been too long since we last spoke, but Mary was someone that always made you feel better after being in her presence and blessed that you could call her friend! Our prayers are with your sweet family, for comfort and peace during this time. We also pray for joy, for the legacy she has left and for her new home with Jesus, where we will join her one day.

“ Beauty, Grit and Grace...That describes Mary to me. Bill, our hearts ache for you, the children, your extended family and those whom you consider family. We can not begin to feel your pain, but we can continue to lift you all in prayer. As you each press on in your own ways, we pray for peace, we pray for comfort and we pray for guidance in each and every day ahead.

“ Although I only knew Mary briefly on my visits to Kentucky and her church, I could tell that she loved the Lord and her family. To her children; she certainly loved you, and although not present with you now, she will always be your mother. To Bill; I know you will miss your wife and helpmate. Please know that you are in my prayers.

“ Mary was a fabulous person to work with. Very knowledge, serious and funny all at the same time. We had to travel for work and had such a great time. I will always remember our last trip to Cayman together last November, running like crazy people through the Charlotte airport to catch our flights home. She will be truly missed!

“ In a short amount of time, far too short, Char touched many lives, and was a blessing to everyone she met. She is finally at peace, in the victory she so deserves. To the Wallace family and to everyone who is missing our friend and loved one, I give thanks that the Lord draws near to the brokenhearted. Mark Zappe

“ I worked with Mary for several years soon after she graduated from college. She was such a sweet person and was taken far too soon. My thoughts and prayers are with Bill and their three children.

“ I worked with Mary for almost 17 years at Artex. She was a very dedicated person to all things...customers, service providers, our company, friends and family. She was so smart and very caring to all. She received great joy from helping people. She was remarkable in that she could make people feel that they were the most important person in the room when she was speaking to them. She was able to make connections with people regardless of how much time she spent with them. I will truly miss her and I am very grateful to have known her.

“ I worked with Mary through an insurance group. She had a brilliant mind and an extremely warm personality. Even though I only saw her a couple of times per year, I will miss her more than I can say. I think everyone in the group feels that way. She was a truly remarkable person. - Bob and Barb Christian

I will always remember her faith, her kindness, her love for her kids and Bill, and how courageous she was during her battle with cancer. “ Mary and I kicked it off at a TFCA event for the kids one year. We had several conversations throughout the years at events at TFCA or Girl Scouts and she was happy, optimistic, loved life, welcomed everyone with a smile and something that is rare, she was one of the most genuine people I've had the pleasure of knowing. She taught me to go with the flow, relax and make it work. I will miss bumping into her. Bill, William, Caitlin, and Emily, I'm deeply heartbroken over your loss, she was a gem! I will be thinking of you and may my Prayer be with you.

“ Bill...you ran triathlons & I ran marathons. In between & early on in our professional journey, I got to scuba dive with Mary in Jupiter, FL. Then 2-years ago I had a brain tumor removed about the same time as Mary's cancer journey began. We connected & would comment that every day was a blessing...for us all. She has left a legacy in you & your kids. Remember the good times & cherish them...the pain will pass. She is going to be missed by so many. God Bless!

“ So sorry for your loss. I knew Mary from our insurance group. She was such a nice person and was very skilled at her profession. I truly felt I could trust her and the knowledge she provided. I am sure, before Mary passed, she had everything in order for her husband and children to successfully carry on while she looked over them from Heaven. 'Life Everlasting'!

“ We met Mary about 4 years ago through our involvement with Frankfort Christian Academy. We got to know the Wallaces as we talked on the bleachers and along the sidelines watching our kids play sports at TFCA. She was genuinely a wonderful person. Praying for God's comfort to all of us mourning the loss of Mary.

“ Mary was one of the most sincere, kind ladies I have ever known. We will miss her smiling face at church so very much. Her face lit up when she talked about her kids and activities they were involved in, always a dedicated wife and mother. She will be missed beyond words.
