“ So sad to here of her passing. I love this lady so much, she is a lovely person and was always smiling. Jennie and Salis was my second mom and dad. I remember many things about her but my fondest memory is going to the grocery store with them all the time. When I didn't go with them Jennie would call for me to help put up groceries. She had a egg holder in the door of the fridge, I thought it was the neatest thing. I would place her eggs in the fridge every time she bought them. This family was our neighbors since I was a year old. She is going to be missed. Love you Barry!

“ So sorry to hear about Virginia. She was just the sweetest most loving person that I had the privilege to know. I met her when I married her brother Alva's stepson Jimmy. She is a person who I will always love and remember because she was such a loving part of my family. Barry my thoughts and prayers are with you and your family. Linda Conway (Gambill)
