“ *AB was a hero of WWII. He and I were friends and the last two WWII veterans belonging to First Christian Church. He leaves me to carry on. So long, friend.*

“ *Chad and Sally,  
I am so sorry for your loss. I believe your dad was the last one of the "couples" that socialized when we were young children. And for sure the last of the old phone company group.  
I was so glad I got to spend some time with both your parents in their later years. I managed an event that funded fireworks at the VFW so got to have some meals with them at the VFW and on the 4th of July.  
I am now living in Bonita Springs and often think of how much they, and especially your mother, loved it down here.  
My thoughts and prayers are with you.*
