“ *I send my sincere condolences to Aaron's children and grandchildren. We worked together for quite a few years in the TI Versailles Materials organization. Aaron was one of the hardest working people I ever met. He also had a big heart. He would hold bar-b-ques outside of the warehouse for special occasions for all of that team. He was a heckuva cook and a guy we all wanted on our working team and softball team! I'll never forget that man. He was a good one.*

“ *Aaron will be missed by us who saw him infrequently. He always took the time to speak and talk about family and friends. He will be missed by all. RIP Aaron with our Lord Jesus Christ.*

“ I'm so sorry for your loss. We went to church with Aaron at The Journey. He was an Amazing man. I always told him his dressing/stuffing was the best I'd ever eaten. He was precious, and I'm so glad I'll see him again one day in heaven!!!!:)

“ I first knew Aaron from our softball days in Peaks Mill many years ago. I appreciate his work at the VFW, his sheet cakes were a staple at many functions. I pray his family finds peace and comfort through their many memories.

“ To all of Aaron’s family, I am so very sorry for your loss. Aaron will always be remembered for his many hours of hard work making his famous chili for the district tournaments. I remember going in the kitchen and watching him prepare several large pans of chili for the players, coaches, and others. I will always remember how watching people eat his chili made him smile with pride. To be honest, he made some of the best chili I have ever tasted. Aaron was a great person with a huge heart that will be remembered by many for his generosity for helping the youth of Frankfort.
