“ *I just want to tell the kids that I am so sorry for your loss and we loved Aunt Ada very much. The last time I saw her she looked good, and she was here in P.C. seeing daddy. While she was here she gave him a much needed fussing at haha! And he listened cause he knew she meant business. I hope all went well with the services and everyone is healing and taking care of each other. Love to all and email anytime you like!*
