“ *I just learned of Al's passing, having been out of state. He was a great friend and mentor. I met Al when he coached me as President of MADCO Toastmasters in Richmond. This earned him the highest achievement in Toastmasters: Distinguished Toastmaster. Al was a great speaker, always liking the humor in life. He taught me a lot about running an organization. I will miss him dearly. My condolences to the family.*

“ *I only knew Al from Toastmasters and what a blessing to know him. Secretly, I wanted to work with him and learn from his vast experience. Sadly, this never happen. His encouraging example of a Distinguished Toastmaster left a lasting impression on the Midway Toastmasters. He is sorely missed.*
