“ *Frankie was a devoted member of Pleasant Ridge Baptist Church in Franklin Co. He could always be found sitting in his favorite pew on Sunday morning beside his beloved step-mom Anne. We have sincerely missed him since he moved to Utah. From friends and members of Pleasant Ridge.*

“ *Frankie was one of my favorite and loving cousins and he had a heart of gold and there was nothing that he wouldn't do for you if he could. I use to sit on his lap when I was a little girl every time I came to my Aunt & Uncle's house to visit with them. Even as an adult when I came over to visit with my Aunt and Frankie he would always be upstairs in his room watching his most favorite TV show The Dukes Of Hazard's. Whenever that show was on TV you can forget about getting him out of in front of the television. Lol 😊 Frankie would always give me a big hug whenever I came to visit and before I went to leave. I really missed him when he had to move to Utah but I knew that he was well taken care of and he was with family that loved him. I will forever miss him but I know that he is in a lot better place and he is reunited with the rest of his family. I love you Frankie 💙 and I'm sending you a great big hug 🤗🤗💖*

“ We will sure miss Frankie! Sadly, I was only able to know him for a few short years and will miss the way he was able to effortlessly make the day better just by spending some time with him. I'm so grateful for our friendship! We know the Lord has welcomed him home!
