“ *Walker we have been through alot together from farming, A.W.'s sickness and the loss of your friend and fishing buddy, My Dad! I'll never forget you always teasing me about being able to eat more fish than any woman you had ever seen. God blessed you with a long life, wonderful family and friends. We will miss you but know you're in a better place. Love ya!*

“ You've left some wonderful memories with Billy Joe for the short time he got to know you. He adored you. When we have fish we'll always think of you. You'll be truly missed and will leave a loving mark in everyone's heart. May God hold you safe in his hands till everyone else can come spend more days with you. Love Billy Joe and Melinda
