*To Bucky's family my heartfelt condolences. Bucky was my APD fraternity brother from Wvu back in the late 60's. And always remembers Bucky as calm and quiet, a little in the serious side but very easy to get along and very very dependable and trustworthy. I thank another fraternity brother Doug who shared Bucky's obit. I'm so thankful for having been at the ad Hoc frat reunion a few years back which was organized by frat brother Emil and hosted by frat brother Wally in Wildwood NJ. Bucky was a feeling down since he had recently lost his wife Sharyn.*

*We reconnected without missing a beat recalling a Sunday dinner at my wvu apartment with Bucky and Sharyn, of course I had made spaghetti. I am grateful for the connection with Bucky through the alpha phi delta fraternity it literally has lasted a lifetime and will continue. God bless to Bucky's family and friends, I am feeling sad at this time but when I think about Bucky all I see is the wide grin smile of his. RIP brother Al. 🙏🥲*

“ He was a *GREAT* brother in law and always fun to be around. Loved his “war” stories where he often laughed while telling them that we listening had to have him repeat it. He will be missed
