“ Worked with Al for many years at Revenue and saw him and Deb at church regularly. He was a great guy that could have you laughing over the smallest things. He will be missed by many. Hard to believe he's gone. Rest in Peace, Al.

“ Oh Al where do I start? He was one of the kindest people to me when I started in the Collections Department in Revenue. We sat next to each other for years . He always kept me in stitches. Those years my most fondest of my career. We always checked in on each other. He came to my Dads funeral less than two years ago and we met to go to another former coworkers not too many months ago I called to invite him to a luncheon and he told me his news and I cried my eyes out while he spoke. He will always hold a special place in my heart. He was a true friend. Prayers to Deb. I remember your first date. He loved you so much and your son and grandchildren he shared that with me. I sure will miss him driving by and blowing his horn. Prayers to his brothers. I sure heard a lot about them too over the years. I will think about my friend forever and will miss him...
