“ Debbie,

*I just went online to view another obituary and was shocked to see this about Allen. I'm so sorry for your loss and prayers of comfort for you and the family.*

*We sure had some good times together at KCI and he could always make me laugh. It took me forever to know if he was serious or joking with me. I loved his humor and the way he loved his family. He was always talking about you, the children and his sisters.*

*I'm so sorry I missed the service but happy to know he loved the Lord and is in a better place.*
