“ Words can't express how sorry I am for your loss. I have never meet your family or your precious son but I recently 12 weeks ago lost my only son in a car accident as well. There are no words that explain how you feel or the ache in your heart. I do know that God will carry you as he is carrying our family. I pray that God gives you the strength to see something beautiful in each day. I pray when it becomes hard to breath that God gives you the breath you need. Remember one second at a time. With Love in Christ

“ I am so terribly sorry for this tragedy and all the pain and sorrow everyone of you must be feeling. I really do not know how you are catching your breath. I remember Allen coming to the law firm with Hannah to see "BBo" and what a happy, nice child he was. Remember the good times, all the smiles (he always seemed to be smiling) and know that you will have him in your hearts always. You are ALL in my thoughts, prayers and heart during this time of sadness. Please let me know if there is anything I can do for any of you.
