“ *Losing Allen has been like losing a brother and a best friend at the same time. I hold so many dear memories for you my friend. Fishing and cooking out will never be quite the same without you there. The last time we talked I told you that I loved you, Allen I really meant that buddy. I love you my dear friend and will forever miss you. Thank you for taking care of my sister like you did. I don't know what I would have done without your help. Penny said to make sure you do that little dance you always did when ever you think of us. I love you brother.*
