“ *Dear Uncle Bobby & Family
We were so sorry to hear about Aunt Alma. We wanted so badly to come to her services, but Steve's Mom who's 87, fell last night and she's in the hospital. Steve is an only child and his Dad has passed so we're all she's got. Dad was going to come anyway, so I had to take his keys. He's 85 now and I do not think he should make the trip alone. We are so sorry we can't be there. We are there in our thoughts and prayers. I always liked being with Aunt Alma. I always told Mom I was most like her. After Mom died, I called you guys several times and left messages a few times, but I never heard back. I guess we all get wrapped up in our everyday lives. We know how difficult the coming days will be. May it bring comfort in knowing you'll be reunited with her someday. She will always live through her family and all those who's life she touched. She will be greatly missed! We were all blessed to have her in our lives. If we can help in anyway or you just need to talk please do not hesitate to call [513-385-8717]. We love you! Love, Frosty, Debbie & Steve*
