“ *Scott, KT, Dena Grace, Cole, family and loving friends,
We loved Jean like a mother and every time we talked to her she let us know how much she loved us! Jean was one of a kind. We will always remember her smile and laugh that was so contagious. One of our best memories of her was when we spent Thanksgiving Day at Claudia Sanders restaurant! Boy, did we eat and laugh and eat some more.
We will miss her so much but take comfort in knowing she is back together with Leon.
Rest In Peace, Jean.*

“ *Scott & KT, we are so saddened by the passing of your sweet mom, and our dear friend and neighbor, Jean. What a joy to have known her. Such fond memories we will carry with us of the many evenings that neighbors came together outside their home to visit. She will be so missed by this neighborhood. We deeply regret being unable to be with you during this time due to being with our family as we say goodbye to David's terminally ill father. David would have been so honored to be a pall bearer for our sweet friend. You guys will be in our thoughts & prayers in the coming weeks. God be with all of you!*

Dave and I share in the sadness of so many of our neighbors who mourn our sweet, fun-loving, beautiful Jean. I looked so forward to seeing her as I came down the sidewalk on Silver Lake. She always had something new to tell me and often had a gift to share. But Miss Woodard was the true gift... and we will miss her terribly. ❤️
