“ *Shannon, I am Larry's sister. Thank you for your condolences for our mother, Lena Cardwell. I knew your mother from visiting with Mama at King's Daughter Apts. I found Elisabeth to be a charming lady and truly enjoyed spending time with her. She showed sincere concern for my mother and they cared about each other. Elisabeth was so helpful to Mama when she went to PicPac to pick up whatever Mama needed and bring back to her. She was a lovely lady and I feel honored to have known her.*

*peace and love,
