“ *Dear Donna,
may you know that we hold you close in thought and prayer during
this time. Your father was so very blessed to have you by his side. It
has been many years since I last saw him, however I always
remember his gift of humor - a wonderful gift that you received from
him and one that lasts forever. May God bless you with His
everlasting comfort and peace.*

“ *I worked with "Red" in 1975/76 at the State Office Building Cafeteria
when I was still very new with the Department of Parks. I remember
him mostly for his sense of humor. I didn't like to prepare certain
items and he'd always just laugh and laugh as those became my
duties for the day. I can't see breaded chicken livers or various
"varmint" without thinking of him and smiling.*
