“ *My husband and I don't know Alyssa. However, we were always shopping at Tractor Supply in Frankfort and she was there most of the time. I remember one day we were there and she was so excited because it was her birthday and I told her I hoped she had a wonderful day. Another day I ran up there to buy a medical collar for our 85 pound puppy who had just been through emergency surgery and had chewed up the collar from the vet. Alyssa so sweet as she assisted me and when I told her we owned a farm in Millville and had four dogs, she smiled the biggest smile and said she hoped our puppy would be ok and not chew off this collar.*

Our thoughts and prayers are with you all and I just wanted to tell you that Alyssa seemed to have a beautiful, kind and gentle heart. We will miss her smile.
