

Amoret Driskell

April 25, 1958 - March 11, 2024

Frankfort - Amoret Driskell, 65, of Owenton, Kentucky passed away peacefully on March 11, 2024 at the Markey Cancer Center. A gathering to celebrate her life will be held at Harrod Brothers Funeral Home on Tuesday, March 19, 2024 from 5:00-7:00 p.m.

Amoret was born in Portsmouth, Ohio, to Eugene and Darlene Wilburn. Amoret's greatest joy in life was making sure everyone around her was taken care of. She was the most loyal and honest friend to all. She gave some of the best advice, although sometimes the language was "colorful". She was a doting wife, mom, and Grammy. She loved her grandbabies fiercely, always making so many memories with them. Throughout her life she enjoyed many jobs where she impacted the lives of so many. She took pride in her work, always going above and beyond to help those around her. In her spare time, she enjoyed spoiling her grandbabies, cooking meals for her family, giving solid advice, and drinking a nice, cold Coors Lite. Amoret lived a full life, touching the lives of so many, and will be missed by all. As family, we ask you to keep her memory alive by sharing the countless laughs and stories she brought to us in her time here on Earth. Amoret always believed in making sure everyone knew "where they stood" and giving the best advice. We challenge you to continue this in your daily lives.

Amoret is survived by her husband, Danny; daughter Nikki (Eddie); siblings

Dan Wilburn (Gayle) and Karen Castoe; grandchildren Ava and Jax James.

Arrangements are under the direction of Harrod Brothers Funeral Home and Crematory.

“ I remember Amoret from school. I moved away my senior year and lost track of nearly everyone. But I always remembered how very kind she was to me as I was so very shy. She never let that dull her shining bright smile and always made me feel like I mattered. I so looked up to her. Now here I am seeing her life in pictures that look as full and vibrant as I remember this beautiful soul. May she rest in peace and her family be comforted by the joy she so readily shared. Fly with the angels, sweet Amoret!

“ My gardening buddy. Last summer she told me all about the hoard of veggies she and Danny were working on. She so clearly loved it and found joy in the work and harvest. She encouraged me with my own garden and would ask for updates. Such a cool, tough lady who deeply loved her family and telling hilarious stories. My earliest memories of her are her mischievous laugh and the way she would cut up with my dad, her brother.
Love and peace to Nikki, the little ones, and Danny.

Amoret was one of my best friends in high school and sadly, we lost touch. She has been on my mind so many times through the years and I so wish I could have spoken to her. My condolences to her husband and all of her family and loved ones. Thank you my friend for all of the laughs and good times, especially in Miss Wikoff's freshman English class. No one wanted to have her for a teacher because she had a reputation for being tough and strict. Well, the first day we go to class she had us tell our names and, of course, she told Amoret her name was spelled incorrectly. Lol. To say the least, Amoret told her that was how it was spelled and informed Miss Wikoff how it was pronounced. End of story. Amoret became my hero that day. Rest in peace my wonderful friend and know I will never forget you. 🙏💜

“ My memories of Amoret stem from being Nikki's mom and a grandparent! She was always proud of Nikki, and she spoiled Jax and Ava. She was always good to me working a short time in the FCHS front office, and I used to get a kick out of her expressing her opinion whether you liked it or not! Prayers for faith and understanding to Nikki and the rest of her friends and family.
