“ We know words can not help your pain at this time. With so many today at her service, it is truly a testament to how much she and all her family are loved. Amy's assistance with helping me to grasp Olivia's diagnosis was so helpful. I know she was proud of the progress she has made. Every time Amy saw Olivia, she would always comment on how far she has come. Please know that we are here for you always. Although it's difficult today to see beyond the sorrow, may looking back at all your happy memories of Amy help comfort you tomorrow and beyond. We love you.

“ My thoughts and prayers are constantly with your family. Amy was one of my best friends. She was always there for me and went out of her way to help me. She was also the best physical therapist that I have ever worked with. She was so smart and taught me so much. She was passionate about her job and helped so many children. We also both shared a passion for cats. I loved all of her cute cat shirts and stories of her cats.

“ My condolence to the family of Amy Farmer. I have been working with Amy for about the past year and I am so thankful to have had that opportunity. She was a wonderful person to work with, kind, caring, sweet, dedicated and always went that extra mile. She worked so well with the patients, really cared about them and they just adored her. She will be sadly missed by all the staff and patients at GLC. My deepest sympathy.

“ Amy will always be one of my best friends. In the 18 years we'd known each other, we shared many laughs and not a small amount of tears. We went through a lot--and I knew Amy would always be there for me. She loved the children she worked with, and she was an excellent PT. She was my unofficial medical consult, and I was her free legal advice. She adored Jackson and Madeline, and always had stories and pictures to show them off. Amy was a fantastic, wonderful person and I will miss her horribly. You are all in my thoughts and prayers at this awful time.

“ SueAnne, Joe, and Craig, I am so sorry to hear this horrible news. The thought of the difficulties and pain this brings to your family has saddened many people that love and care for you, including us. I know this is the hardest thing you have ever been through in your life! My family was very blessed with the opportunity to have had the wonderful opportunity to meet and get to know your beloved Amy. Amy was a such wonderful person. Amy always worked diligently and patiently trying to push our daughters, Parvin and Malika to the next level. Amy provided excellent services to our daughters and they were always excited about her coming to "play" with them. Amy loved what she did and she did everything she could to help each child escalate to the next level. Your family is in our thoughts and prayers each day. Love, Danetta, Steve, Parvin and Malika
