“ *Andrea Kring felt like something between a younger sister and a daughter. Without going into great detail, she gave me a soft place to land when I had no idea that I would need it. I rented space from Andrea at her Salon on Broadway for several years. She made me feel welcome, appreciated, and loved. When I broke my wrist in 2017 she was right there to assist me. Andrea was a very tender, empathetic, spiritual soul. Although she often seemed uncertain of how much value she had in this world, I have no doubt that she realizes now. Justin and Drew, you are her greatest loves. She will watch over you forever. She has gone to stardust, where we all began. May love shine through her reflecting back to all she loved, who loved her.. RIP sweet woman. Dance among the stars!!! I love you, Gina*
