“ I treasure many childhood memories of Anita (Wig) when we lived around the corner from each other. We were classmates throughout our growing up years, graduating from Martin High School, Martin, KY in 1956. I was deeply saddened to learn of her passing but know she was welcomed home by our Lord.

With Deepest Sympathy and Love to Tony and her family.

“ There are no words that can fill the emptiness in your heart.. but perhaps it will help to know others care. "Wig was a life long friend of mine and I will miss her. I know she put her trust in our God.

“ Granita, I will never forget you! You were a great grandmother to Kendra and I have lots of memories celebrating birthdays for our whole family, hunting Easter eggs, Christmas dinners, Thanksgiving dinners, and most of all being with Kendra.
