“ *Corky ... I was shocked to see Ann's name in the paper. I had no idea. I'm so sorry. You two were some of the very first folks that I signed up for long-term care insurance and two of my favorites. I talked with Ms. Otten at the funeral home and told her what needed to be done to get the refund for your wife's unused premium. Please let me know if there's any problem with this or if you have any questions about your coverage. Your benefits have increased quite a bit over these years. We're in the phone book listed as Albert Lee and Carolyn Wilson - 875-3689. Sorry I didn't get to see you at visitation or the funeral. We had been to Madisonville for our 13-year-old grandson's birthday. May God comfort you in this time of sorrow. ... Al*
