“ *To all Our loved family members....Annie will be missed greatly. She was the rock of this family for so long. She was a mother and grandmother to all, not just an Aunt or sister or friend. She took care of everybody. We will all have the wonderful memories of Christmas at her house, Thanksgiving at her house and all the cookouts, trips to Kings Island, trips to florida, weddings, funerals and little road trips that we all took with her. She was a strong woman who stood her ground but also had a heart of gold. I will miss you so much Aunt Annie, but I know you dont have to struggle or worry anymore. Rest in peace my aunt and I will see you again someday soon!!*

“ *Nolan, I am so sorry for the loss of your Grandmother. I know you have been so close to her all of your life and this comes as quite a blow to you. I haven't seen Annie for sometime but have fond memories of her and always enjoyed seeing her. Sometimes words are so hard to come by at a time like this but just know that I love you dearly and will be thinking of you during this time.

“ We as a community lost a great person here. She was a good lady who kept a large amount of young men from becoming less than desirables. She offered at Cliffside a safe haven to all. If you were out of line she would tell you, she would give you advice on life and she always had a kind word. I will miss her, she was so fair, so nice, so nonjudgmental My condolences to the family, you have lost a treasure.

“ Jody,
Just learned of your tragic loss of your wonderful mother. Donnie and I and our entire family, are praying for strength and peace for you and your entire family. I know how strong and loving your mother was too first hand, like Leo mentioned in his condolences we really have lost a great woman, and
from a wonderful family in this city.
My mother Frances Baker, loved Ann, and when she was able to get down to Cliff side she would go most every day, some times twice! She got bored at home, and she could always go to Cliffside to be treated like family, and try to stir some thing up, or finding out all the towns gossip... oops I mean information. Your mother was really special, kind, and sweet to my mother, for that I thank and loved her even more, for her kindness all ways to Mom.
I just wanted you to know how sorry i am, and I was thinking and praying for you and all your family! Love In Christ Jesus Dale

“ Mrs Hellard was a good person, I remember her driving my school bus back in the 70's. It was always a pleasure to talk to her each morning. May the good Lord bless and keep her as we all know he will. I know she will be missed by all.
