“ I was Anna's new supervisor at Golden Living Center. I wish to extend my deep condolences to Anna's family in this difficult and tragic time. Anna was a wonderful person to spend time with. She always had the best attitude and had a smile for everyone. She was quick with a laugh and made everyone around her feel welcomed and appreciated. Anna was a dependable as the sunrise and always lent a helping hand to everyone around her. Her passing is a deep loss to me and everyone she worked with. She will not be forgotten and she can never be replaced.

“ Mommy I never thought I would be saying see you later so soon but now I have too. You have always been my number one, my best friend, my heart, my soul and my shoulder to cry on. Now that you are gone pieces of my heart will forever be gone. I know that I now have to step up and be there for the boys because you were all we had and I know you wouldn't want it any other way. I love you mommy and miss you more than anyone could imagine. Rest easy and fly high mommy!!
