“ *I'm so sorry I didn't get to come by the funeral home. I just read my paper and it's after 8pm. My mother was a classmate and good friend of Mrs. Perry. We always sat behind her at church. I know how much you will miss her because my mother passed away in August and I still miss her so much.*

Lucy, I hope you are doing well. Last year, your grandmother showed me pictures of you and your family. She and my mother were both at the beauty shop. She was so proud of you and your accomplishments. I'm sorry I missed getting to see you again. I always enjoyed having you in class.

You will all be in my thoughts and prayers. God bless you.
