“ *To the family of Annette, I know that your hearts are full of pain, but just know that God only takes the best. I went to Franklin County High but had the pleasure of being friends with Annette and her brother Robert. She was a special and very friendly person. When I heard of her death I was very shocked and sad. She was a awesome person and will never be forgotten And to you the family, you will be in my prayers, and may God bless you and keep you during this time of sorrow.
God Bless,
