“ Dear Andrea and Eric,

As a mother and a stepparent, it is inconceivable to me the depth of grief you both must be experiencing in the death of your son/stepson. May your faith in God and His mercy sustain you. In listening to the testimonies to Andy's character, I am acutely aware of my loss in not having known him. Obviously, the world was a much better place with him in it.

Patrick sends his condolences. He regrets that, due to working out of town, he was unable to attend the service and console you all in person. Our thoughts and prayers are with you.

With great sympathy,

Lane & Patrick Jacobs

“ *I did not know Andy that well, but he seemed like a nice young man. He worked on my car with Ernie at Jims garage. He was very quiet and was taken to soon in his young life for he had much to offer. God Bless him and his family.*
