“ I am so sorry to hear about Tony's passing. I knew him for over 40 years and always thought so fondly of him. I am sorry that we lost touch over the years.

“ The time that I knew and spent with Tony was when the “Moore Boys” were college teammates at KSU. He was one of the loudest and proudest supporters of us on the football field. I spent a lot of time with Brandon at their house and Tony was like a dad to me. He is the one who introduced me to his favorite sport....NASCAR. He will be missed!

“ I met Tony when his son Jay played football for me. I can testify to his pride in his sons. He was a proud father and was one that supported the coaches and done what he could to lend a hand. I pray for the Moore boys and their children as they navigate this time of grieving.
