“ I am so sorry that Anthony lost his fight with cancer. He fought bravely and I know he was surrounded with loving family and friends. I will be forever grateful to him for bringing so many people together to celebrate music. He was an important part of my children's lives and I remember so many times taking my kids to the shows he put together around Lexington. I lost my son in an accident a few years ago and am saddened that you now have to go through a similar loss. Be gentle with yourselves, it is a tough journey. Know that Anthony will never be forgotten, and will be treasured in the hearts of an amazing group of people who are spread all over the map.

“ I was saddened to hear of Anthony's passing. I did not know him personally but worked with his mother Linda for many years in state government. During those years, Anthony was a small child. I have a son the same age, and during the years Linda and I worked together, I heard many stories about her little boy Anthony. My condolences to Linda and all Anthony's family members. I share in your sorrow and pray for the comfort of God's love for all who loved Linda's precious son.
