“ Arch and Joyce were like second parents to me growing up. My dad was named Arch so it made Pop (Arch McDonald) which is what I called him even more special. I remember him fixing the best looking bologna, cheese and tomato sandwich and he told me he would fix me one but unfortunately I never got a chance for him to make me one. He will be missed ❤️

Remembering our aunt Joyce, and our uncle Arch by marriage, and how much fun to be around when we were younger. I recall how they would come to our mom and dad's house to babysit my brother Donald and I. Our mom, one of aunt Joyce's sister's was, Sarah Ann Jones Cable.
