“ *Arlene was our neighbor for 12 years . She was such a quite and timid person and would smile and chat a little when we would see her out . She liked to keep mostly to herself and she would usually be seen tidying up any lose limbs or branches around her house in her landscape . Although we never saw her out much we knew she wss there if we wanted to say Hello . We will miss her a lot just knowing she is no longer there as our neighbor. God Rest her Soul*
