“ *I am so sorry to have learned of Babe's untimely death and would like to pass on my condolences to your family. Last summer he shared his spiritual kindness, goodwill and blessings with me and my son as he and Glenn framed a porch addition to my farm home. I forever will remember his respectful manner and hard work and am thankful to have met someone I considered welcome to my home.*

“ How sad to lose Babe. He died doing what he always did, helping someone. I pulled up to an air hose one day in the pouring rain and he did not know who I was but he ran out in the rain to help some lady put air in her tire. It was so much fun standing in the rain to talk to him. He was such a good guy, and they are few and far between. I'm sorry I couldn't get to the funeral home, there were so many people I wanted to see. Emmilou that has always been your name to me, Charlie, Charlene, Billy Miles, Teresa and the others I am so sorry for your lose. I'll include you guys in my prayers. Love to all.

“Babe was such a kind hearted person. Babe and Glenn brought me fire wood all winter for a little of nothing. Babe would shake my hand everytime he left and let me know how much he appreciated my friendship. Babe went out of his way to show attention to my children and made them feel special. I know he loved the Lord as we talked about it several times. Babe was an awesome person and a friend to all. Babe it breaks my heart that you are gone but it warms my soul to know that you are in heaven. I love you Babe, you were such a good friend to me and my family. You will forever live in my heart. I will see you on the other side brother. Rest in peace.
