“ *I just ran onto Barbara's obit online and want to extend my sympathy to the family. I knew her way back when she worked with Crippled Children Services and i worked at UK peds cardiology. We worked together one day a week for clinic. Imagine our surprise to learn we were kin. I was from Flemingsburg and have Hickerson's on my father's side. Loved working with her and talking about family, work, etc. She was a great lady and know you will miss her.*

“ *Rob & Family:*

Please accept my sincere condolences on the passing of your Mom. Mrs. Carter was a very sweet lady. Although I only knew her briefly, I will always remember her sweet smile. I would always say something to her when she would sit in the hallway across from my Mom's room at Golden Living.

I will keep you and your family in my thoughts and prayers.

*God Bless,

“ My sympathies to the family. Barbara was always so kind. She worked very hard to make sure the patients at Eastern State had at least one Christmas gift (usually 3). She tried to keep a variety of items in the "gift shop" for them to choose from. She was a pleasure to work with and cared about all the patients. It was more than just a job to her.
