“ *I had no idea Janie had passed away. Damn. I worked with her at Flynn's Restaurant many years ago and she and I worked in the same building when she was in Child Support Enforcement. I worked on the other end of the building in Disability Determinations. I had not seen Janie for a very long time but always remembered how witty she was. She was always so much fun to be around. God bless her soul and hope she is with the angels in heaven. She would be deserving.* ”

Many years ago Janie and I played golf at JH in the beginner league. We had a great time. She was so much fun later she was bar tender at the VFW 4075. Always had a smile. RIP sweet girl.

Janie & I became instant friends when I moved to Frankfort KY.

We frequently cooked together. We laughed a lot. And

sometimes we cried. Janie was always a delight to be around.

We spoke on the phone usually on a daily basis. She has left an

indelible mark on my heart. It so hard to think that she is no

longer here. I fell certain that we will meet will meet again.

Janie was one of my many cousins and fun to be with. Even tho we don't see much of each other now I will always have have fond memories of her, Nancy and Mary Margaret growing up. I miss the days we all got together at our grandparents. She always had a smile and kind word for all. She will be greatly missed.
