“ *So sorry to hear about Aunt Barbara. But oh what a woman she was. She was very welcoming and an all around awesome person. She made the best dumplings anywhere, anyhow. She always made me feel very welcome and loved whenever I was near her or in her home. Prayers to the family for strength during this time and always. Suzanne.*

“ *I shared an office with Barbara at the PSC for several years. Barbara was smart and a very hard worker. Barbara loved her family so much and was so proud of each member. She was spiritual and loved her church. What impressed me about Barbara is that she was not judgemental but instead lived a Christian life and was what I thought a Christian should be. During the time we worked together we laughed in the good times and shared a few tears during the bad times. I knew I could always count on her support and was proud to call her my friend. My condolences to the family. Carryn Lee*

“ Sweet, sweet Barbara. I had the pleasure of working with Barbara, if I recall correctly, at the old Department of Child Welfare years and years ago. I remember her as being so nice and so professional and such a wonderful state employee and coworker. I know she will be missed by all of those who loved her.
