“ *When I was growing up we lived on Holmes and so did Barbara with her family. They lived right next to Bryant's grocery and of course I went to the store no less than once a day. I would see Billy and Barbara often and they would always speak. I remember when Patrica was born me and my mom went to see her. Thats what neighbors did back then if anyone had a baby. I remember their dad and Clara Bell. when Bo died and he was very young, our whole neighborhood grieved. They were a very loving family.*
