“ *I only met Ben in the last four years of his life. We met at the Office Pub and Deli. We would gather there in the afternoon and discuss everything that we could think of. But the most important think that Ben liked to discuss was his granddaughters. He was so proud of them and their academic progress. He recounted stories of their travel and boyfriends. He knew their futures were bright. In the evenings we would see Ben and Barb at the Pub. Whenever he would see my wife and me together he would always ask my wife what she was doing there alone ! We would always laugh at this as he did it repeatedly. I will miss Ben and his stories. I will miss Ben the father, grandfather, and husband of Barb. Hey Ben be sure and say hay to Adolf!!! Rest in Peace my friend*

“ My thoughts and prayers are with Alberta and Ben's family. The Conway's were a wonderful family to have grown up with. I remember the fun times playing baseball with Ben and the rest of the gang on the Thorn Hill School playground. We spent many a day and night playing basketball on the courts across from the school. Playing kick-the-can in the middle of the street was another favorite of the Thorn Hill gang. Just getting together to talk about numerous subjects was also an enjoyable time. Many fond memories. Ben was a kind and gracious soul. May God be with you Ben.
