“ *Linda, I did not know until just now that your Father passed. I know how it hurts to lose a father and you all were so close. I'm sure his memory give you comfort. I remember how much you all talked on the phone = I thought that was great. Hope you, Hugh and your boys are doing fine. Just wanted to send my belated condolences. I just lost my brother, Phillip Ellis, and thus was brousing on this website. Doris*

“ *Robin you know you and your family are definitely in our prayers. I know how close you all were to each other. He was a great man that has left you all a lot of good memories. I am going to do my best to be at visitation and the funeral. However, I think I am fighting the flu! I love you and am keeping your entire family in my prayers.*
