“ " Her Journey"s Just Begun"  
Dont think of her as gone away. Her Journeys just begun, life holds so many facets- this earth is only one.  
Just think of her as resting from the sorrows and the tears and a place of warmth and comfort where there are no days and years.  
Think how she must be wishing that we could know today how nothing but our sadness can really pass away.  
And think of her as living in the hearts of those she touched...  
for nothing loved is ever lost-and she was loved so much.

To her family my heart goes out to all of you she was an angel that our lord decided to bring home. God bless all of you.

“ I know that Bernice and I had a good friendship, But that wasn't always the case. When Rusty (John's) and I told her we was getting married. She thought i was trying to trap him into it. Her mother told her to leave us alone, we was old enough to do what we wanted. But, as you see everything worked out in the end. She was my mother in law and my bestfriend. Lord knows that lady could cook. I know we all are missing her in are own ways, but we all know she up their with the rest of the family and no long hurting. If nothing else, we all have to stick together. Because she would want us too. I love each and everyone of you. I'm so so sorry MOM'S gone. I love you Bernice/Mom and miss you deeply.....Love you alway Patty.
